5.4.1: There is a registered Alumni Association that contributes significantly to the development of the institution through financial and/or other support services:

The college has a registered alumni association. The Alumni Associations functions as an association endorsed by the College. Principal and senior faculties are invited to participate to offer suggestion to improve the welfare of the college. Alumni association endorsed by the college meets once in a year. Principal being the chief coordinator convene the meeting and present the immediate needs of the college, while reeving comments and suggestions from the alumni for the development of the college. Prominent alumni facilitate the prospective students for employment generation. Beside the alumni association of the college, certain old departments have their own alumni set up to promote their department interest. Alumni have contributed in kind and cash for the development of the department and college. Steps are being implemented to strength the alumni association to play an active role in the development of the college.
