The primary outcomes are presented below after a detailed analysis of the feedback received from various stakeholders

1. Employers feels the curriculum needs to inculcate career-oriented topics.
2. The curriculum meets the needs of the learners.
2. The depth of the content of the courses taught in the college follows the course outcomes.
4. The syllabi keep students engaged in participative and experiential learning.

The stakeholders' suggestions were communicated to the various Board of Studies, KBCNM University, Jalgaon, which is actively involved in framing the curriculum. The college is affiliated with the university and, therefore, follows the curriculum provided by the university. At the college level, with the guidance of the Governing Body, the college development committee has assisted the administration in taking the following measures to ensure the realisation of the suggestions.

1. Along with traditional teaching, online teaching was carried out to enhance teaching learning experience.
2. Various students level programs and workshops were organised.
3. Study tours were organised.
4. Extra Practical sessions were arranged for students.
5. Faculty members were sent to participate actively in syllabus framing and evaluation activities.
6. Besides regular teaching, attempts were made to provide experiential learning practices to college students.
7. Extra lectures were offered to the students of compulsory English.
8. Teachers are encouraged to use ICT tools like LCD projectors and to create video lectures for the students.
